Subject: Please do not threaten local jobs

The EPA should care about our economy and jobs and the environment

First, let me say that I strongly support a cleanup of the Willamette River. However, I also don't think that our local businesses and families can afford to pay huge bills for the cleanup. The EPA should make sure the cost to implement the plan is reasonable.

Please do what's right for Portland, our environment and our jobs.

Sincerely,

(b) (6)
